

Beaumaris Concourse Car & Bike Show

Dear motor enthusiast,

Once again a big thank you to you all for getting involved in the 6th annual concourse car and bike show, for those enthusiast that haven't been to the show before, this is some information on the general running of the event.

The car show is on Sunday 10th of September from 10:00am – 1:00pm. We would like to get all participants to arrive at the shopping centre to park between 8:00 and 9:30, so we everyone parked before 10:00am. For anyone that hasn't been to the Concourse before we are located on Reserve Rd Beaumaris Melways reference 86 D7. The shopping centre is basically a big square so the cars will be parked in the parallel parking, which is on the right hand side of the shopping centre all the way around, and then it will join back through the main car parking area at the front of the centre adjacent to the grassland area to join the two sides. We also have the use of the grassland area at the front of the centre which we use for Motorbikes and large club involvements so they can be all together. I and the Beaumaris Rotary Club will be assisting in parking everyone, we want to do the best to keep friends and clubs grouped together, but is a lot easier if you want to be in a group to turn up together. If clubs can let me know numbers attending the week leading up the event, I will allocate the number of parking spaces they require.

I have attached a entry participation form, please fill it out and email or post it back to me (I Found it 28 South Concourse Beaumaris 3193, Email: concoursecarshow@gmail.com) This will help me work out the layout for the event. If you are with a club with multiple entries we will group you together where possible, you can send one form as a club with numbers attending if you like.

This year there will be trophies for best in show as voted by you as the entrants and the general public for people's choice, there will be a first, second and third for both cars and for bikes. We also have a roaming judge that will determine the winners of judge's choice awards first, second and third for both cars and for bikes. Voting will be drawn at 1:00pm to conclude the event.

There is a \$10.00 entry fee per vehicle which will go to the Beaumaris Rotary Club who give their time to assist with running the event. All money will go back into the local community through Rotary projects. Last year we raised \$1740.00 and we hope to beat that this year.

Other attractions on the day are Firetruck rides, Roaming jazz band, live music on the grassland area, free face painting, free photobooth, great food and police display. Clubs are also welcome to set up a table, banners, etc. or advertise their club on the day.

If you have any other friends or family that have a classic, unique car or bike that you think might want to be involved, feel free to forward the email on to them. If you have any questions about the event just let me know.
