

“Drive Your Triumph Day”

In commemoration of Sir John Black’s 124th birthday

Sunday 10 February 2019

Event Flyer

Instigated by American Rye Livingston two years ago, it has gained international appeal by Triumph Car Club members in many counties. The event commemorates the birthday of “Triumph Saviour” Sir John Black. He purchased the bankrupt Triumph company shortly after WW2 and went on to manufacture the Triumphs we drive today. Had it not been for his intervention, Triumph, as a car manufacturing company, would have been defunct back then.

Born 10 February 1895 makes this the 124th anniversary of his birthday.

A tour starting at Yarra Glen and travelling on some “not often taken” bitumen roads to the Flowerdale Hotel for lunch, promises to be an excellent way to commemorate. Actual route instructions will be distributed on the day.

Departure time will be 11.00AM from McKenzie Reserve, Bell Street. Arrive at Yarra Glen in plenty of time for you to enjoy a coffee down the main street, a very short walk away.

TR Register and Triumph Sports Owners of Australia cubs have been invited to join us. In 2018, around 40 cars participated. This year we hope to see 50 Triumphs in convoy.

Booking for around 100 people has been negotiated with the hotel management. Final numbers will be called for late-January after our general meeting. Please confirm your participation in this event to your Club’s Event Coordinator at your earliest convenience.

Once this confirmed number is passed to the hotel management late January:

That number is obliged to turn up

**No last-minute withdrawals please,
as Clubs may be asked to pay for their absentees.**

Lunch will be two courses – main and dessert. Main will be roast beef dinner or flathead tails. Dessert will be home-made crumble.

Please pay for your drinks when you order. Clubs will not be responsible for unpaid drinks.

Any questions to your Club Event Coordinator please.
