

TCCV MONTHLY MEETINGS

It has become impractical to schedule future meetings at our Murrumbeena venue due to COVID Safe legislation and rules imposed by the owners of the venue

Therefore, we are moving our regular monthly meetings to the PAVILLION ROOM at THE MANNINGHAM CLUB in Bulleen. For some members this will mean a longer commute and for others a shorter journey. However, both venues are on the same radius line from Melbourne GPO so this, combined with the facilities offered, was a deciding factor in choosing the new venue.

Current COVID legislation still means that we have to comply with a number of restrictions and contact tracing procedures.

Therefore **PLEASE READ THE FOLLOWING VERY CAREFULLY.**

MEETING DATE AND TIME

The third Wednesday of the month. (except December.)

Meeting start time 7.30 pm

LOCATION

The Pavillion Room, The Manningham Club, 1 Thompsons Road, Bulleen.

Plentiful off road parking is available on site.

NUMBERS

Current COVID legislation in force at the date of a meeting may restrict attendance in the Pavillion Room. Trumpet1 updates will be issued.

In addition to those attending the meeting, partners and guests may come to enjoy a meal and socialise in the main entertainment area, but please Register on the website.

REGISTERING YOUR ATTENDANCE ON THE TCCV WEBSITE

Attendance at the meeting will be restricted to the maximum "COVID-number" allowed as per the "Register Order" list.

The attendance register now records the number of people attending the meeting and the number having a meal before the meeting. Complete your Registration accordingly.

Registrations will cut off at midnight the day before the meeting. The Manningham Club will use the Registration list at reception for their own contact tracing purposes.

As there could be more than the maximum "COVID-number" of members wanting to attend the meeting, if your situation changes and you cannot attend, PLEASE delete your name so another member can attend.

Once again, this registration procedure is required by current COVID Legislation,

MEALS

Bistro meals are available from 6pm onwards for those wishing to participate. A menu follows for your information. Seniors, remember to bring your Seniors Card to take advantage of the Seniors Menu.

COVID SAFE REQUIREMENTS

COVID Legislation may require that a mask be carried or worn. Please bring one with you. We will keep you informed by Trumpet1 updates as we know more.

All other COVID SAFE requirements such as hand sanitisers and surface cleaning will be provided by the Manningham Club.
