I can confirm that we have all rooms held for you and can do each room at \$90.00 for the night for your members. This includes the two bedroom units which makes the price a fair bit lower for those willing to share.

In relation to the breakfast, your members can have a choice of a cooked breakfast (eggs, bacon, sausages, tomato, mushrooms and hash brown's) for \$15.00 per head or a continental breakfast (toast and cereal) for \$12.00 per person. These also include tea, coffee and hot chocolate.

If you are wanting dinner on the Thursday night, we are happy to do a set menu of three choices of entrée, mains and desserts for \$31.00 per person. We can also cater for any vegetarians or people with food allergies, if they let us know in advance.

If you have any queries, please feel free to give me a call.

Regards

Trish
