

Information

The Variety Rally Around Victoria is a 3-day, tarmac-based adventure for motoring enthusiasts who enjoy the spirit of a road adventure, without compromising on comfort. We encourage participants to bring along their favourite piece of motoring history, whether old or new.

Together, we will explore some of Victoria's most scenic locations including Raymond Island, Walhalla and Marysville. Experience delicious food, wine (and a little gin), entertainment, camaraderie and heartwarming grant presentations along the way, highlighting the work that Variety does with Victorian kids in the community!

There is even a car show on Raymond Island as part of the event. Entrants and locals alike are welcome to enter.

The Variety Rally Around Victoria is proudly presented by the ACE Radio Network.
