

AI Summary of this presentation

Theme	Member Feedback & Needs	Recommendations
Event Diversity	More locations, varied timing, broader activity range	Schedule diverse events, expand content
Meeting Improvement	More guest speakers, interactive, less formal	Recruit speakers, encourage discussion
Technical Content	High demand for technical workshops, maintenance tips	Organize hands-on sessions, share tips
Resource Awareness	Low awareness of libraries and regalia	Promote resources, improve communication
Participation Barriers	Distance, health, time, lack of remote options	Offer hybrid/virtual events
Club Management	Positive but desire for innovation and inclusivity	Engage younger members, fresh leadership
Member Contributions	Willingness present but needs support	Provide guidance, topic suggestions
Communication	Desire for better notifications, transparency, online presence	Enhance digital communication
